

The tenth anniversary of Apollo 11 was even more popular than the fifth anniversary. There were many events going on in commemoration of the historic first Moon Landing and the Space City Cover Society covered the events. With the events labled as "Space Week", SCCS covers commemorated the event first off with a set of three different cacheted anniversary covers. They were cancelled on Launch date (July 16), Moon Landing date (July 20), and Splashdown date (July 24). A set of three was serviced both at Kennedy Space Center, Florida and at Houston, Texas. Each set of three, machine cancelled, is priced at \$3.25 per set.

At the Johnson Space Center in Houston, tenth anniversary ceremonies were held. And across the street from JSC, the Johnson Space Center Stamp Club held a three day exhibition in commemoration of the Apollo 11 mission. July 20 was recognized as Neil Armstrong day, July 21 as Ed Aldrin day, and July 22 as Mike Collins day. A special pictorial hand cancel was used and the SCCS produced a set of three covers (one for each day) and this set is priced at \$3.25.

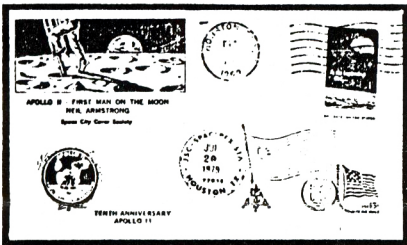

Meanwhile, in downtown Houston, a new park was dedicated and named Tranquility Park in honor of the Apollo 11 Moon Landing. SCCS attended the event, during the afternoon, and serviced a special cacheted cover, using the JSC exhibition pictorial hand cancel. This cover is priced at \$1.25. A few blocks away, at the Main Houston Post Office, many collectors were standing in line waiting their turn to have covers cancelled. The U. S. Postal Service had furnished a special circular hand cancel. The SCCS serviced a special cacheted cover, illustrating the Apollo 11 plaque left on the Moon, and this cover is \$1.25. There was another variety of cover produced for the Apollo 11 anniversary. With the second type of MPP hand cancel used by SCCS, the group serviced a single cover on July 20, 1979 with this cancel. This type of cancel is no longer used as that type of MPP design is now obsolete with the U. S. Postal Service. This cover is \$1.50.

TENTH ANNIVERSARY DOUBLE CANCEL

Using a small supply of our original SCCS July 20, 1969 Moon Landing covers, the second stamp was added and cancelled at the JSC exhibition with the special hand pictorial cancel on July 20, 1979. This beautiful, and again available only through the Space City Cover Society, is priced at only \$7.50. And this price is good on this offering only.
