

NASA FLIGHT RESEARCH CENTER...At Edwards, Calif., a lot of test flights are made in regards to the Space Shuttle. And it is there that the first few flights of the Space Shuttle itself will land after earth-orbiting missions. On March 26, 1976, the flight center at Edwards was re-named "Dryden Flight Research Center" in honor of Hugh L. Dryden. We have never offered this cover before, in fact have just now had it cacheted. This will be listed in our Space Shuttle section of SCCS catalog at \$2.00. Very few were serviced and our price on this offering only is 90¢.

ENTERPRISE FINAL DEMATING...Just after its overland return from Cape Canaveral the Shuttle Enterprise arrived at Edwards and was de-mated from the carriercraft 747. It was then transported overland to Palmdale and is now being used for spare parts for other Shuttle craft. We have not offered this cover before and price at this offering is only 90¢. (Date was August 23, 1979).

LUNAR SCIENCE CONFERENCES...1979 saw the 10th Annual Conference held in Houston. It was on March 19 and the SCCS serviced covers for it as we have done in previous years. The cost of this cover is 90¢. Then, for 1980, the 11th Annual Conference was held on March 17. The name of it became Lunar and Planetary Science Conference as it focused on "Year of the Planets." It centered around recent results from a variety of planetary encounters in 1978-79 as well as around new scientific information on the Moon, Mars and meteorites. More than 700 scientists from all parts of the world were on hand for the event that was hosted jointly by the Johnson Space Center and the Lunar and Planetary Institute of Houston. Our 1980 cover is 90¢.

SPACE CENTER SHOW CANCEL...On July 12-13, the LBJ Space Center Stamp Club will host their annual exhibition. A space pictorial cancel will be used and the SCCS, as in past years, will have a special cacheted cover on the first day of use of the special two-day cancel. This cover is 90¢.

DELIVERY...We will send all of these in one shipment about two weeks after the space exhibition of the Space Center Club.

 TO: SPACE CITY COVER SOCIETY, P O Box 53545, Houston, Texas 77052

Please send me the following covers:

_____ Re-naming Dryden Flight Reserach Center @ 90¢	\$ _____
