

SPACE CITY COVER SOCIETY

P. O. BOX 53545

HOUSTON, TEXAS 77052

Thank you for your request for our "NASA Local Post Package". This includes one space cover with the local, one NASA Local Post souvenir sheet and the complete listing of all of the NASA Local Post issues. The article in Linn's pictured our most recent souvenir sheet (the one for the Space Shuttle Approach and Landing Tests) but we did not intend to offer that sheet nor did the story so indicate. But since a few asked about it, we did want to point that out.

We have included one of our most popular covers and souvenir sheets and we hope you will enjoy adding it to your collection. And now, for the best news of all!

That's right! We will give you a 50% discount on your order of covers, if it comes to \$15.00 or more. Which means if your cover order is \$15.00 just make out the ole check for only \$7.50 We are doing this so that you can add as many of the SCCS covers to your collection at the lowest possible price and at soonest possible time. In fact, this will put a lot of the covers at about the same price as they were offered at the time of issue. Remember...

this is for the covers only. The souvenir sheets are at the prices shown on the catalog pages.

This discount will have to be withdrawn on December 31, 1977, though, so why not treat yourself to an early holiday gift. Just use the back side of this page for your order blank. Be sure to give catalog number, quantity wanted, whether it is a cover or souvenir sheet, and the price. And don't forget to take your 50% discount on the covers if they amount to \$15.00 or more. Send the order blank in with your remittance to:

Space City Cover Society, P. O. Box 53545, Houston, Texas 77052

and we will RUSH your order out to you.

P. S. Also enclosed is an information sheet about our organization. Why not send in your four stamped, addressed envelopes and we will keep them on file for sending our free publication "The Space Log" to you as issued.
